Our Uniform

Designed to promote pride, professionalism, and a strong sense of belonging across our school community, our uniform reflects high standards and a shared identity for every pupil.

Our school uniform has been carefully designed to reflect pride, belonging and a strong sense of identity. The use of our school colours and branding helps pupils feel connected to their school and part of a welcoming community, while ensuring they represent the school with confidence both inside and beyond the classroom.

The uniform has also been chosen with practicality, comfort and affordability in mind, ensuring pupils are ready for a full day of learning and activities. Smart, simple pieces make the uniform easy to wear and maintain, while allowing our school identity to shine through. We expect all pupils to wear their uniform correctly and take pride in their appearance, helping to promote positive attitudes, high expectations and a strong sense of belonging.

Where can you buy our uniform?
